St. Bernard Grocery Cards

Welcome Parents and Guardians to a new school year!

We are happy to continue to offer you a wonderful and painless program to generate money for your school through buying weekly grocery cards from Stop and Shop, Shop Rite, Big Y , Geisslers. We also have \$10.00 Dunkin Donut cards.

We purchase the grocery cards for 5% less than face value. The Dunkin Donut cards are purchased for 3% less than face value. When you use the gift cards, St. Bernard School receives the profit. We all buy groceries, so please consider using these gift cards to pay for your purchases.

Mrs. Karen Hogan is your school grocery card contact. She is able to process your request the same day after she receives your check. The grocery cards will be available September 20, 2018.

It's very simple to do.

- 1. Every week, we will have gift cards from the stores in \$25.00 and \$50.00 amounts. Dunkin Donut cards are in \$10.00 amounts. You decide the amount you need from each store and write your check to St. Bernard Grocery Cards.**
- 2. Forms are available in the electronic backpack and at St. Bernard School front desk. Please consider using these gift cards each week to support your school.**

We sincerely thank you!

Christine and Ted Kiczuk

Grocery Card Coordinators

P.S. Sales declined last year, however, we're sure the participation can improve from the 3-4 faithful families who supported the program in the past.
